Dear Zach:

We want to thank the Gulf Winds Track Club for all the support which you and countless other GWTC members have continued to provide to the Bowlegs 5K Run for Scholarship over the years. This was our 34th race.

We appreciate your support and look forward to working with you in the future and to hopefully continue to secure occasional Grand Prix status in future years such as we did this year. We hope we can continue to make the Bowlegs race an attractive addition to the Gulf Winds Track Club's racing schedule. The weather was cold and breezy but still perfect for the approx. 180 enthusiastic runners and walkers participating. The race went extremely well. We have now awarded close to 200 scholarships since 1994 to mature, returning students in need of financial help at FSU.

I know that Bill Hillison, our co-director with Larry Giunipero and me, will be requesting a possible date for our 35th Annual Bowlegs race in 2019.

Sincerely,

Annelise Leysieffer
