requested 100 percent of the proceeds (\$425.60) be given to the Chenoweth Fund, a motion was made to approve the donation, seconded and passed unanimously. Keith noted that the event was a huge success and had 34 volunteers, and he would like to continue to be race director, the Board approved.

#### **Sickle Cell 5K Course Review**

**Paul Guyas** relayed to the Board that **Bill McGuire** had tweaked the Sickle Cell 5K course to make it safer and faster, and wanted to make sure the Board approved. A motion was made to approve the course change, seconded and passed unanimously.

#### **GWTC Downtown Market Invite**

**Paul Guyas** said that he had received an email from **Nancy Stedman** where GWTC were invited to attend and have a table at the Downtown Market, we just need to pick a date and get volunteers. Paul had chosen May 26, 2018 as there were no races on the calendar for that weekend, would need volunteers to man the table from 9:00a to 1:00p. We could give away free left over race items or sell Club merchandise. He will follow up and try and obtain volunteers for that date.

#### **Member Race Discount Distribution**

**David Yon** wanted to ask how the Club could streamline the distribution of member race discount codes. A discussion ensued that involved the distribution through the GWINDS email list, in the Fleet Foot, or create a master list of codes at the start of the year and send out. It was stated that perhaps this should be discussed with race directors at the next meeting to get their opinion and feedback.

**Mary Jean Yon** said she would add that to the agenda for the next meeting of the Race Directors.

#### **Youth Striders**

**David Yon** reported that on Tuesday April 10, 2018, thirty children attend the Youth Striders and that **Chris Hayes** will come and talk to them next week. Angie's group is still going strong at Maclay.

#### **ESPN Proposal**

**David Yon** told the Board that the **Jeff Cameron** radio show approached him to see if GWTC would be interested in buying an advertising package for \$750 that included 25 thirty second ads a week, with the option to have one to two minute segments on the **Jeff Cameron** show to talk about upcoming races. Board members were unsure if the demographics of the show would reach people who would be interested in our races, we also don't have a race every week and maybe this

should be brought up at the next meeting of the race directors. David said he was just mentioning it but there seemed little interest at present in pursuing this option.

#### **Old Business:**

**New Membership Management Software**  
**Robert Skrob** created a flyer (available on request) and presented to the Board the outcomes, current scenario/processes in place and estimated costs of moving from Eventbrite to a member centric management software called MemberClicks. The software would manage memberships, race registrations with easy accounting for Treasurer with QuickBooks integration and race result publishing. Current costs of using Eventbrite are \$20,330, transitioning to MemberClicks would initially cost \$18,842, then would be \$16,647 each year after. Benefits include non-GWTC members could still register for races, discount codes could be populated for members with member only login pages, easy reporting of financials from race registrations for Treasurer, and could even have our GWTC website and an online store to sell Club merchandise. The system is encrypted with 256 SSL so member data is protected and private. **Peg Griffin** has tested the system and said that it is a better system than we are currently paying for and would endorse the use. Training of the system would be required and Robert stated that was included in our system payment costs. Robert is going to go to the next meeting of the race directors and will give a demonstration. A motion was made to transition over and implement to the new system, seconded and passed unanimously. Thanks Robert for your great presentation.

**President's Column - Zack Scharlepp**

The temperature is heating up, humidity levels are rising, afternoon showers are a nearly daily occurrence, and parents of all school aged children are trying to figure out what the heck to do keep their young ones entertained, while maintaining some semblance of sanity in their lives. Ah, summer is upon us! I am still perfecting my ability to change the weather, until I succeed, I suggest **Tim Ungers'** excellent article "Summer is on the Way," for helpful tips and techniques to deal with Tallahassee's inhospitable summer months. I can, however, offer some assistance on the child entertainment front. Beginning the first Thursday night of June, Gulf Winds Track Club's annual summer track series will be operating again.

**When:** Thursday, June 7, 2018 – Thursday July 26, 2018 @ 6:45  
**Where:** Maclay School Track  
**Contact:** **Tom Perkins** 894-2019  
**What is it:**

There are no "requirements" for participation in the track series. It is free and open to the public. Runners do not have to be fast or be a member of GWTC to participate. Anyone with a "need for speed" or just a "need for fun" is welcome!

The series is arranged in a sequence that alternates on odd and even weeks. For the odd weeks (1, 3, 5 and 7), the competition events are the 40-yard dash (for the very young, ages five and under), the 100-meter dash, the 400-meter dash, the 1-mile run, the 5K run and the 4 X 100 (400 m) relay. For the even weeks (2, 4 and 6), the available events are the 40-yard dash, the 100-meter dash, the 200-meter dash, the 800-meter run, the 2-mile run and the 4 X 200 (800 m) relay. Participants are welcome to compete in any or all of the available events. The track series organizers will determine what events are available in the 8th week. One event is certain: GWTC will present the annual Ice Cream Social and GWTC Summer Grand Prix Awards in the 8th week.

The Summer Track series has its own Grand Prix series for GWTC members based on the weekly Featured Event. The 100-meter dash is the Featured Event in week one. The grand prix event is the next one up in distance (200m, then 400m, etc.) each week after that through the 5K in week 7.

Only GWTC members are eligible to participate in the Grand Prix series. Membership applications are available online or at the track so that non-members may join and become eligible. Again, club membership is required ONLY for Grand Prix participation, NOT for Summer Track series participation. A Gulf Winds Track Club table will be set up in the infield of the track and will have GWTC volunteers ready to help participants. (If you would like to volunteer to help with the Summer Track Grand Prix, please contact **Tom Perkins @ 894-2019**).

Last year, looking for activities to do with Kobi, my mentee through Big Brothers Big Sisters, I decided to give the summer track series a go. It was a great decision. Kobi, never a runner before, loved the races and ran every event. He looked forward to the series every Thursday. Kobi and I will definitely be back this year. Rhys, my 18-month-old, will be making his first appearance as a competitor this year. Rhys has been training for the 40-yard dash and is looking forward to his first official race against his nemesis, Barrett.

Watching the excitement and pure joy on the kids faces as they learn to love the sport we all love is something all GWTC members need to experience

**Featured Feet –  
Kurt Dietrich**

**Childhood ambition:**

In elementary school I was set on being an archaeologist and was obsessed with ancient Egypt, Greece, and Rome.

**Current occupation:**

Software Engineer at Diverse Computing Inc.

**If money were no object, what profession would you choose?**

Oh, that's difficult. I think I'd like to rotate through different random jobs every couple of weeks just for the new experiences.

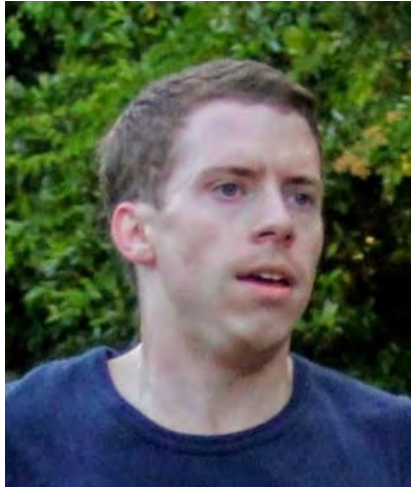

**Favorite running memory:** I'm not sure I have a specific favorite, but it's always a thrill whenever I'm able to sprint during the final stretch of a race and overtake people.

**Indulgence:** Either sleeping in late or buying expensive electronics that I probably shouldn't.

**Non-running hobbies:**

Reading, video games, model building, and hiking.

**Favorite reads:** I read primarily sci-fi/fantasy novels. A couple of my

favorite series are The Kingkiller Chronicle by **Patrick Rothfuss** and the Traitor Son Cycle by **Miles Cameron**.

**Best place to run in Tallahassee:**

Definitely the Alford Greenway. It's spacious, secluded, has so many different routes to run, and is beautiful.

**Preferred running technology:**

I've been using a

Fitbit Charge 2 for over a year now to track my runs and it works pretty well. Hadn't used anything before that.

**Perfect day:**

Waking up well-rested with no obligations and going for a long walk in great weather with my dog. Then maybe lounging on the couch watching a good show or reading.

**Biggest challenge:** Having both the time and energy to do everything I want or need to do on given day.

## Featured Feet Monica Toth

### Childhood ambition:

To be a veterinarian.

### Current occupation:

Archivist (I handle paper records that have permanent historical value--definitely not a veterinarian!)

### If money were no object, what profession would you choose?

It's hard for me to choose. Maybe world travel blogger? It's my dream to explore the world and I would love to share my experiences.

### Favorite running memory:

The last 10k of my first marathon, October 2017. It was terrible and I was miserable, but that's where I found strength I didn't know I had. I'm going to use that memory to drive me through my next round of marathon training.

### Indulgence:

Any kind of bread and dark chocolate. I have a terrible sweet tooth.

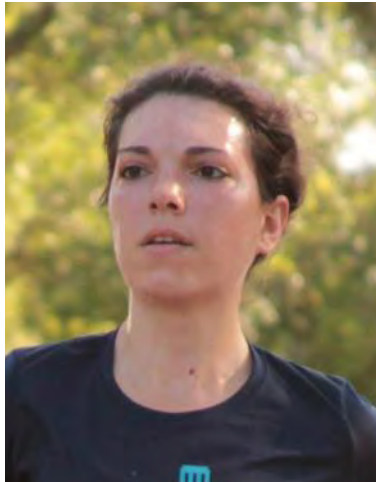

### Non-running hobbies:

Reading and scrapbooking.

### Favorite reads:

*The Lord of the Rings*. I also love crime mysteries and thrillers.

### Best place to run in

### Tallahassee:

For trails, my favorites are Miccosukee Greenway and Lafayette Heritage Park/J.R. Alford Greenway. I run them again and again because the scenery is constantly changing, plus water and porta potties are never far away!

### Preferred running technology:

Just my trusty ol' Garmin Forerunner 35 that I sync with the Nike Run Club app on my phone.

### Perfect day:

Wake up as the sun rises, have my coffee and a whole grain waffle with peanut butter, then head out the door for an 8 to 11-mile trail run. Come home and relax by working on my scrapbook and watching Netflix. Then later, my husband and I have a nice dinner with some drinks and in bed by 10. Basically, every Saturday for me!

### Biggest challenge:

Overcoming my own self-doubt. I'm my own worst critic when it comes to speed, strength, body image...anything physical. Sometimes it's not until the end of a workout or a race that I realize I've surpassed my expectations. That nagging little voice is always there and it's a challenge every day to overcome it and be the runner that I strive to be.

### CPR and First Aid Certification Class

You can be a life saver, with proper training and practice. While every GWTC club race is supported by professional EMS, having more CPR and first aid certified members at our local races, out on the trails and in our running groups helps to make each of us safer.

GWTC is hosting the American Heart Association Heartsaver program, which covers CPR for all ages, use of an AED and basic first aid. The standard price for this class is \$95.00, but as a GWTC member you can register for this class for just \$35.00. This class size is strictly limited to 24 members because equipment and individual instruction is necessary.

The course fee covers everything, including course materials, textbook, a breathing device for each participant, and a 2-year AHA certification card upon completion of the class.

You may register at: <https://gwtc-cpr.eventbrite.com>. Register right away as these slots will go quickly.

You are welcome to submit questions by emailing [Kory@Skrob.com](mailto:Kory@Skrob.com). We look forward to seeing you all there. Let's learn, be safe, and let's be inspired to run more.
