

Dear Mary Jean,

We want to thank The Gulf Winds Track Club for participating in so many of our Billy Bowlegs 5 k Run and 1 Mile Walk. This 2006-2007 year, the Faculty and Friends Club of FSU proudly gave out 7 more scholarships, the most we have ever given out in one year. We could not have done it without you. This brings the total number of \$ 500 scholarships up to 76 since 1994. Enclosed is the CD of photos my husband, Neil Charness, took at the event.

Yours fondly,

Beth Charness, President  
Faculty & Friends Club of FSU
