GWTC Board Meetings 7:30 p.m

May 8 David and Mary Jean Yon 850-425-6671 June 12 Keith Rowe 850-322-6614

(Continued from page 2)

guage from the proposed policy (2019-01) is as follows: "The Board may adopt official guidelines and policies to direct the day to day business of the club. Guidelines and policies should be uniquely numbered and a copy maintained with the Secretary of the club. The GWTC board will review this policy and vote on it at the next meeting."

New Business

Tallahassee Marathon Wrap Up - David Yon

David Yon presented the financial wrap up for the 2019 Tallahassee Marathon and Half Marathon. Based on the work that Sheryl Rosen and GWTC treasurer Laryn Flikkema had there were net revenues of \$3,672.11. Mr. Yon requested that the net revenue be allocated to the SMIRS program (%50) and to the Chenoweth Fund (50%). A motion was made, seconded and unanimously approved. Mr. Yon also advised the board that another \$5000 was expected from a sponsor but that was not build into the numbers.

Gulf Winds Race Miles Challenge - Kristin Halley

Kristin reported that Eric Godin was previously the lead on the Gulf Winds race miles challenge; for this challenge, individuals earned points for each race they completed, and Eric provided the individuals with prizes depending on the amount of Gulf Winds race miles they completed during the year. Kristin then stated she and Jim currently are storing the leftover awards from this year's awards banquet in their garage, and she would like to place them into storage. Kristin asked the board members whether anyone would be willing to take over the responsibilities of this challenge due Eric and Tracy's plan to relocate. Paul stated he would accept the boxes.

Trailblazers Coordinator - Kristin Halley

Kristin reported that **Katie Sack** is the new Trailblazers Coordinator. The runs will start up on Tuesday, April 16, 2019 at 6:30 P.M. and will continue to take place on Tuesdays at 6:30 P.M. Kristin stated they would send a schedule of the weekly schedule and locations to Thomas as soon as possible.

"S.W.O.T Analysis" - Paul Guyas

Paul presented a "S.W.O.T Analysis" worksheet to the board. Based on this worksheet, Paul asked the board to provide him with what they believe to be GWTC's strengths, weaknesses, opportunities, and threats. The purpose of this worksheet is to allow GWTC to continue to improve.

Board Management Web Service - Joseph Petty

Joseph provided the board with education regarding the benefits for the board to utilize a board management web service. He stated that there are multiple existing platforms out there, but he found one that seems ideal for non-profit boards called Boardable. If the board does not

want to use another paid service, he is willing to build a slimmed down version with certain key features just for our use that would run for free using Google services; however, Joseph believes that Boardable is a really good option that the board should consider. Of note, Joseph has no affiliation with Boardable and would not stand to gain from GTWC using them. The board will re-visit the possibility of using a board management web service in the next meeting.

Youth Striders - Tom Perkins

Tom stated he would like to purchase GWTC youth striders t-shirt for the 263 individuals that are participating. Tom found a t-shirt that would cost \$4.75 and would be able to get a free logo. Tom requested \$1,500 to fund these t-shirts. A motion was made, seconded, and passed unanimously.

Committee Reports

Treasurer's Report - Larvn Flikkema

As of March 31, 2019, Gulf Winds Track Club's Statement of Financial Position reads as follows: total assets of \$250,938.97. GWTC's Statement of Activity from July 1, 2018 – March 31, 2019 includes a gross profit of \$288,185.56, total expenditures of \$250,885.38, and net revenue of \$37,300.18. GWTC's monthly statement of activity for March includes a monthly gross profit of \$23,503.95, total expenditures of \$33,708.00 and net revenue of \$10.204.05.

Equipment Report - Bill Lott & Tec Thomas

Tec reported that he continues to want four equipment assistants to help out with equipment; there has been on person who has offered help so far. Bill then reported the clock that wasn't working at the 1-mile split of Turkey Trot acted up again at the 5K split of the Springtime 10K. Therefore, the clock may need to be shipped to the manufacturer in California for repair. Also, many of our megaphones are broken and/or in poor shape. New ones will likely be purchased in the near future and would cost between \$50 and \$75 each, Bill also said the start/stop button on a Chronomix is not working and the Chronomix will have to be sent to New Jersey for repair, which is estimated to cost in the \$75-\$100 range. Moreover, the displays on the two oldest Chronomixes are dim and getting worst, making them hard to read and will likely have to be replaced. Depending on the repair cost, it may be time to replace these two Chronomixes with new ones. A new Chronomix costs about \$375. Before replacing, however, alternative devices to the Chronomix will be explored that are similar. but less expensive. Bill also reported that the trailer suffered a small dent (1.5-2 inch diameter) in the front side at the St. Marks Duathlon when a bike rack slid and hit the side. It is believed that the dent can be pounded back out. Tim Unger is to take a look at the damage and report back with his assessment. Lastly, Fleet Feet Tallahassee/ Tyler and Mackenzie Perkins donated shelving that was in the old store and wasn't going to be used in the new

(Continued on page 5)

store. **Tom Perkins** (no relation) and **Bill Lott** picked it up last Monday (March 25, 2019) and took it to the GWTC storage unit. The shelving is similar to that already in the storage units used to store the water coolers.

Chip Timing Reports - Bill Lott & Peg Griffin

Bill provided the board with the Chip Timing Report. During the month of March, GWTC timed 8 races, including the GWTC Springtime 10K/5K/1M, the GWTC St. Marks Duathlon, and 6 non-club races including the Shamrock Scurry 5K/1M, Buck Lake Bobcat Trail Run 5K/1.2M, Habitat for Humanity 5K, The Heritage 5K/1M, Harvest of Life 5K MAD Dash, and Beer Mile. Bill also reported that the Chip Timing Committee met on March 18, 2019 and discussed the various issues identified regarding the future of chip timing by the club. Further discussion and research will continue and another meeting is tentatively planned for May. After another meeting or two, the committee hopes it will be in a position to issue a report to the Board regarding the committee's findings.

Triathlete Report - Wayne Thumm

Nothing new to report.

Membership Report -Mark Priddy

Mark reported there are currently 1,005 GWTC members from a total of 579 households. Of note, there are 422 individuals who did not renew their GWTC membership following the 2018 year.

Training Report - Thomas Biance

Thomas reported the Springtime Training group was successful in getting a larger number of people out there on Monday nights. The group ended on March 25th. Trailblazers will be starting up on Tuesday. The GWTC Summer of Speed Sunday morning intervals at Leon should be starting up soon.

Education and Lecture Coordinator Report - Chris Stanley

Chris reported that Michael from FSU's exercise science confirmed that he would be willing to provide a lecture to GWTC regarding how to train in hot conditions. Chris then updated the board on the current status with planning to host a Road Runners Club of America (RRCA) coaching certification course in Tallahassee. Chris created a Facebook poll to gauge interest in attending this course; unfortunately, the response rate was poor, but fourteen people expressed interest in attending. Chris then inquired on the board's position on offering scholarships for individuals to attend this RRCA coaching certification course. A motion was made and passed for \$1,625 to go towards scholarships for this RRCA coaching certification course, which would allow 5 people to have a full scholarship to this course or for 10 people to have a partial scholarship to this course.

Race Director Coordinator Report – Mary Jean Yon Nothing new to report.

Trail Coordinator Report -Jim Halley

Jim reported that the Trail Care Committee's first trail clean-up will take place this Saturday at 10 A.M. at Lake Alberta. This event has been posted on Facebook and on the GWTC website. GWTC will provide trash bags, rubber gloves, and trash grabbers. On Earth Day, the Trail Care Committee will host a trail clean-up day at Mission San Luis Park. The Trail Care Committee will continue to plan one trail clean-up day per month. The board discussed reimbursing Dominic for supplies relevant to trail clean-up day supon providing the receipts. However, a motion was then made to provide the Trail Care Committee with \$200 to purchase supplices for trail clean-up day; this motion was seconded and passed unanimously.

Chenoweth Fund Report – David Yon Nothing new to report.

Youth Council Report - Kaari Guyas

The current Youth Council members include Kaari, Leann, and Johnny. During their first meeting, the biggest concern was the fact that race age groups often make it so younger participants are required to compete with others who are significantly older than them. They also discussed various ways this council can help kids become more engaged in GWTC.

Clothing Coordinator Report –Laura McDermott and Sherri Wise

Laura reported via email that she sold \$118 worth of merchandise at Springtime.

Social Report - Joseph Petty & Vicky Droze

Vicky reported via email that she is planning on holding the April social on a Saturday instead of on a Sunday to determine how the turnout would differ. She also stated that she is planning to begin send some postcard mailings that includes a \$5 credit towards the recipients' drink tab at the Social.

Newsletter Report - Fred Deckert

Nothing new to report.

Website Report - David Yon

David retracted his previous proposal to hire a company for \$20,000 to re-do the GWTC website due to the fact that it would be more than what is necessary. Therefore, David presented two new options. The first would be a brand new mobile responsive WordPress website using the old database. All of the old information in the database will still be retrievable and viewable, and every page will be redesigned and mobile responsive except for the database reports and search results. Since we would be using our old database, any reports or search results it pulls from the database will not be mobile responsive. The cost of this option would be \$5,000. The second option would be a brand new mobile-responsive WordPress site using a new database. Our old database will be backed up so we can still access old data in the future: however. none of the old information in the database will be retrievable on the new website since this will be a fresh clean install of a new database. Every page will be redesigned and mobile responsive including the database reports and search results; this means that when we start adding in new data from new races, all of the data can be viewed by individuals in a mobile responsive format on your website. This option would cost \$9,500 plus \$200 dollars per month for the operating charge for both the app and website. A motion was made to allow David to pursue whichever option that he and Peg decide is better; this motion was seconded and passed unanimously.

A motion to adjourn was made, seconded and passed. The meeting adjourned at 8:55 pm.

Alyssa Terry, Secretary

GWTC Trail Care

We are fortunate to have many miles of scenic trails and beautiful parks and greenways to run and ride in the Tallahassee area. Sure, you may need to be cautions of snakes, poison ivy, and tripping over roots and rocks, but trail running allows you to avoid vehicular traffic during your run and can be easier on your joints. In my opinion it is also good mental and spiritual therapy to get out amongst the trees and wild critters to reconnect with nature.

The city and county do a great job keeping these trails maintained but they cannot always keep them all in the pristine condition we'd prefer. Overgrown foliage increases the likelihood of tick bites, excessive debris may hide snakes and tripping hazards, and trash is just unsightly and potentially dangerous to wildlife. Gulf Winds Track Club already does a lot to serve our community, and that service is only possible through the generous volunteerism of our club members.

Through the new GWTC Trail Care Committee we will be hosting a monthly trail workday to help keep our trails in shape. Some months we will be working on the trails by cutting back small limbs and bushes next to the trails, removing excess natural debris, sand, and mud, and filling-in holes. Other times we will be cleaning up trash at parks and greenways. By coming together as a club we can accomplish much more than we could individually. This will also increase our profile as a club within the community and may allow us to have a better relationship with the city and county, so our input is considered when new trails are planned.

Be on the lookout for our monthly events can come help if you can. If you know of a trail section or park that needs some attention, let us know. And if you're interested in serving as a member of the committee, we'd love to have you join us!

President's Column - Paul Guyas

I'll begin at the beginning - always a good place to start. Parenthetically, I should point out that Gulf Winds Track Club and the general popularity of running as a fitness activity both predate me so it's quite possible that there may be one or more "prequels" to my version, but this is the beginning as I know it.

Coincidentally, it was my birthday in October 2012 when I "founded" Sunday Intervals by the extraordinarily formal procedure of establishing a Facebook group. The group's concept and workouts were based loosely around my affinity for the track, that we had three interval groups that all met on Tuesdays (two of them simultaneously), and possibly to my aversion to running long distances. It was based less loosely upon my prior and ongoing inquiries into exercise physiology research, case study, and opinion on the most effective workout techniques. This author is a (crazy) person who at one point had a plan to train for a marathon by running only 100m sprint repeats. I never attempted to execute that plan... i digress. An option for a second day of the week for interval track

running in Tallahassee was not a luxury or a novelty, but a necessity. It was mid-fall in Tallahassee so meeting at 5pm wasn't awful and that

ave us a better excuse to "open up the water cooler" after running. You see, Martha had an apartment at the top of the hill (more on that hill later) so it was easy to walk from there to Leon with a five gallon cooler full of ice and and six or so cans of beer cans stashed among the cubes. The load was light because we could fill the water from a track-side spigot. Of course the water kept us hydrated, the ice kept everything cold, and the beer kept us coming back for more not to mention the carbohydrate replenishment and a tasty reward for hard work. On the way back up the hill, the cooler always somehow ended up being empty. These workouts and the people attending were a great group getting larger and faster every week. Toward the end of the year, we paused the meetings in deference to the longer races of the winter schedule. After the marathon in February, we picked up again, but this time in the morning trying to dodge the sun. Workouts varied from traditional static sets to dynamic sets with progressive rest breaks to relay-style team sprints to running up and down the Georgia Street hill. That hill - we have a love-hate relationship. I love it and everyone else hates it. 10:00 am meetings became 9:00 and 9:00 am became 8:00. We kept on until we had been at it for over a year. Our last meeting was in February 2014. Over the 16 months, we enjoyed much racing success. It seemed like every week one of our people ran a PR and the awards per capita was stellar. I miss those days and those people. And for more than four years that was all there was, just the memories, the results, and a dormant Facebook group with weekly events that still linger in my retrospective calendar.

Last summer as you may have heard, the Sunday Intervals group was reincarnated by Thomas Biance to prepare for a summer of racing including the Track Series and the shortest of Gulf Winds races, Breakfast on the Track. Thomas is back at it again this year with the second consecutive Summer of Speed which meets at 7:00 am at Leon. In as much as I wish the time would return to a more casual 8:00 or 9:00 or 10:00, I have attended all of these sessions both this year and last. I just can't get enough. Tom has allowed me to continue my hobby of devising workouts for maximum pain... I mean maximum effectiveness - Yeah, that's it.

So for Summer of Speed 2019, Tom and I have sixteen weeks of pure fun in store for you. What if Sunday is your long run day you say? Well, we don't have any rules prohibiting anyone from adding miles onto the end of their workout. In fact, Tom's diabolical start time ensures that we'll be through well before 8am. Even with the later start times of the past, there have often been runners who have traversed Tennessee St to run the Capital Cascades Trail which is no more than one-quarter mile from Leon's quarter mile. I have often been one of those runners. Let me tell you that three or four miles of steady-state running after three or four miles of intervals has the effect of about fifteen or more miles with arguably better quality. This is my opinion and I invite you to come out and give it a try to see for yourself. I smell a research project. Regardless of motive: to avoid long running on a summer Sunday morning in Tallahassee, to improve top-end and gear up for the shorter races of summer, for the fellowship of others working through pain... I mean a good effort, to try something new, to get another bite at the apple that is the interval schedule, to prove my ideas right, to prove my ideas wrong, I extend the most sincere and convincing invitation I can to come out and see what Tom has cooked up on Sundays.

PS: Good news/Bad news: As a matter of practicality, we haven't worked the hill into the schedule. As a matter of liability, we haven't included beer on the menu. However, once the track work is done... you never know.

PPS: June 8th is Potluck. It's a Grand Prix and a grand time. Sign up. Race. Party.

Childhood ambition:

I just wanted to have fun:)

Current occupation:

Doctoral student, researcher, and teaching assistant in Nutrition Science at Florida State University

If money were no object, what profession would you choose?

I would still choose a

Nutrition and Food science
related path---in academia as a professor or

Favorite running memory:

working for a food company.

This is a hard one. There are so many to choose from! Winning the 3A high school state title in the 800m is a top one for sure. It was quite unexpected—I still remember hitting the turn on the last 200m praying no one would catch me and running my hardest to the finish line not once looking back.

Indulgence:

Dark chocolate

Non-running hobbies:

Swimming, baking, reading/listening to audiobooks

Favorite reads:

Running
autobiographies/memoirs.
Top four
this year are **Meb Keflezighi's** "26
Marathons" and "Run to
Overcome;" "Running is

Best place to run in Tallahassee:
Miccosukee Greenway

Preferred running

technology:

Watch-Garmin Forerunner 235, Apps: Garmin Connect and Strava

Perfect day:

Sleep in, get up to 60F weather and go for a run through the woods. Eat a big brunch then lay by the pool or on the beach and read or listen to music; hopping in the water when it got hot. Then going home and baking salmon and veggies for dinner. Do some yoga stretches; enjoy some froyo and a glass of wine. Early-ish to bed. Friend along for the ride optional:)

Biggest challenge:

Well my biggest challenge at the moment is obtaining my doctoral degree!

"Keep a Running and Don't Look Back" By: John B. Rakestraw

We're lined up to do a 5-K race, some are young, and some are old, it makes no difference for the finish line is our goal.

Chorus: Keep a running and don't look back.

Now I was born in a little house by the railroad track. It was a long time ago and that's a fact.

Chorus

Some of us have turned old and our hair is grey, and we ache in the places where we used to play.

Chorus

Now one gal has freckles on her, but she is real cute and says so what I don't give a hoot.

Chorus

We runners pass mile three and the finish line is in sight, oh my what a delight! Its no more running and we now can look back!

This song is "dedicated to all the past, present and future runners"

14 years.

How much sleep do you usually get at night?

It really varies—at least 5 1/2; once a week 9-10 hours

What type of running shoes do

you prefer?

I wear Brooks trainers and Nike flats.

Do you stretch? If so, how often and what tvpe?

Everyday! For at least 10 minutes. General static stretching and yoga.

What are your favorite running routes?

I usually just find some loops or out and backs from my house. My place to run in Tallahassee is at the Miccosukee greenway.

What running resources do you like that would benefit someone else?

I recommend running autobiographies and memoirs. I've listened to some great books on Audible over the last year. The top fur being Meb Keflezighi's "26 Marathons" and "Run to Overcome: "Running is My Therapy" by Scott Douglas; and "Marathon Woman" by Kathrine Switzer.

If you have been running for many years, how has your training changed over the years?

In middle and high school I averaged 20-35 miles a week and did not run much between cross country and track season. In college I attempted to run 60 miles a week, but was seriously injured a lot so there were many weeks I was not running at all. The past 5 years I've gradually increased by mileage from 20-55 miles/week. I've always done two workouts a week, but the length of workouts has increased considerably over the past 2 years.

What examples can you give of specific training methods that have produced results? What were the results?

Training method must match your goals and ability. My goal is to be fast and I focus on road distance races—5ks, 10ks, and half marathons. So, my training is focused on speed and endurance. I do one really easy day a week, at least 2 workouts per week, and a long run. I also cross train. This training has produced great results for me, including PR's in the 5k, 10k, and half marathon.

What advice do you have for beginning or experienced runners to help them with their training?

My training advice for someone who really wants to improve is to talk to and pay attention to how the successful runners around you train, and their overall lifestyle. Also, joining a local running club, have a few key friends or a coach to talk to, and take advantage of free online training plans or hire a coach.

- The practices will be held Monday thru Friday and begin at 7:45 a.m. each week day. Runners should arrive by 7:30 a.m. and start warming up.
- Practices will end at 9:00 a.m.

- Drop off and Parking for the Tom Brown Park location is next to the playground just past the BMX track. <u>Directions</u>

The SMIRFS have laid claim to two of the most beautiful areas in the city. First, is Elinor Klapp-Phipps Park, which includes 670 acres of protected land along the bank and in the watershed areas for Lake Jackson. The trails are magnificent and home to many GWTC races (Pot Luck Bash for example) and several high school cross country meets. Tom Brown Park is *the* Tallahassee location for outdoor activity. There are paved trails, like Goose Pond and unpaved trails like Lake Heritage Trail Park. It is a great way to learn to love running. Experienced and knowledgeable coaches will provide instruction and supervision during the practices.

Want to join the team? Register at <u>RunSignUp</u> And receive our "Welcome to the SMIRFs" package. And don't forget to check out our <u>Facebook Page</u>. Email or call one of the names below if you are interested in coaching or have any questions about the program.
